Randy Moorman (Council
Liaison)

1. Call to Order

2. Land Acknowledgement

3. Agenda Review

4. Approval of 5/10/2023 ASAC Meeting Minutes

There were two changes requested of the meeting notes. Two missed attendances were updated.

5. Public Comment/Review

Three public comments were provided.

6. Old Business/General Business:

- **Updates from Staff Liaison**

Liason from transportation committee will be attending next months meeting.

Talked about tabling.

Grant discussion.

- **General Updates from Committee members**

Couple of members talked about books and resources.

Arvada is under built for EV chargers. Discussion on EV rebates and resources.

- **Updates from Council Liaison**

Want to keep a watchful eye on when building updates happen.

Two development plans were approved at the last business meeting. Need to consider how land use is framed in the upcoming sustain arvada plan.

Rocky Flats stewardship council. Randy got to tour the COF.

7. Workshop 2: Scope of Work

Committee discussed a recommendation letter ASAC should deliver to Council. Nalini provided a draft letter the transportation committee provided as a go-by.

The committee conducted a SWOT analysis on CAP versus a sustainability plan.

The committee discussed plans on delivering a letter to council updating on our plans for future.

Goal is to have letter finalized by June 30th.

8. New Business

No new business.
